EXPLORE

Fall Foliage Season...Mid-October to late-October

Snow Monster Season...January to early March
Alpine Plant Season...June to August

Stunning scenery!

Kosaka MAP P19G2

Nanataki Falls

Nanataki Falls crashes down 60 meters and over seven ledges. At the base of the falls is a working waterwheel and a shrine dedicated to the local Dragon God.

秋田県鹿角郡小坂町上向字藤原35-3

an invitation to dreamlike shores

Lake Towada

秋田県鹿角郡小坂町十和田湖

Kosaka MAP P19G1/P22C1,G3

Lake Towada was formed by a volcanic eruption almost 200,000 years ago. Now visitors can enjoy the view of Japan's third deepest lake (327m) from the caldera rim at the Hakka outlook.

Four Seasons of Natural Beauty and Wonder Mt. Moriyoshi

Kitaakita

秋田県北秋田市阿仁鍵ノ滝79-5

MAP P19E5/P21G4,G5

Enjoy the best of Japanese scenery year round at Mt. Moriyoshi. From January to March giant Snow Monsters form on the summit and from June to September the mountain is full of wildflowers. Famous waterfalls and gorges can be found all around the foot of the mountain.

Alpine Plant Season...June to July

Odate

MAP P19E2 Matsumine Shrine

Gain peace of mind while walking among the giant trees on the path to Odate's oldest Shrine. First built in 817, the shrine is also home to unique objects including the "Mirror Boulder" and "Window Boulder".

秋田県大館市松峰字仁王田141-5

Odate Nagabashiri Wind Caves

Visitors can cool off at the caves on Mt. Kunimi, where even in summer 0~5°C cold air fills the caves. Once used as natural refrigeration, unique alpine plant communities cluster around the caves thousands of feet below their normal habitat. MAP P19F1
☎ 0186-51-2005 秋田県大館市長走字長走362-6
🕒 9時30分~16時30分 🗓 Monday (Tuesday if Monday is a holiday), open everyday from June to August, closed December to March

MAP P19E5/P21H5

Yasu Falls

Kitaakita

Find peace of mind while enjoying the fall foliage around Yasu Falls. The falls flows over two drops: the first 60 meters and the second 30 meters in height.

秋田県北秋田市阿仁打当地区

Fall Foliage Season...Mid-October

Odate Rose Festival
...June-October

Ishida Rose Garden

Odate

This small garden boasts over 500 varieties of roses. When the flowers bloom in mid-June, the garden hosts the annual Odate Rose Festival, though guests are welcome throughout the year.
